Our dedication to soldiers and their families has never wavered, and our commitment to being fiscally responsible has also been consistent. We are proud to share who we are, what we do, and the incredible support that we have received. We ask you to join us. You, too, can help!

You can support the programs of Salute Our Services today. Your financial contribution will help us keep soldiers and families connected during long absences. That connection is key to the well being of both the soldier and the family members left behind. Strong family support systems benefit both the soldier and their family.

Salute Our Services is a 501(c) (3) non-profit institution. Your contribution is tax deductible.

Corporate Matching Gifts
You can double your gift by using your corporation's matching gift program. It is very easy to do. Contact your company and ask them how you can participate in the matching gift program. Complete the paperwork and include it with your gift. We will complete the form and send it to the appropriate office.

Please fill out the following donation form:

Name:_____

Organization:_____
(IF ANY)

Address:_____

Phone:_____

E-Mail:_____

Preferred Method of Contact:_____

I/We are interested in helping Salute Our Services
